## (Substitute for the Extended Certificate of Good Conduct in Exceptional Cases)

I hereby solemnly declare under oath,

1. that I have **no final convictions** for any criminal offense within the meaning of § 72a SGB VIII, in particular no convictions for
  - violation of the duty of care and education (§ 171 German Criminal Code, StGB),
  - sexual offenses or abuse of persons under protection (§§ 174 ff., § 225 StGB),
  - offenses related to sexual abuse, prostitution, pornography, exhibitionism, public indecency, or sexual harassment (§§ 176 ff. StGB),
  - violation of the highly personal sphere of life through image recordings (§ 201a StGB),
  - human trafficking, forced prostitution, forced labor, or child trafficking (§§ 232 ff. StGB).
2. that I also have **no other criminal convictions** that would make me appear unsuitable for the supervision or work with children and adolescents.
3. to inform the Board of the MZvD **immediately** if criminal proceedings for any relevant offense are initiated against me or if a corresponding conviction is pronounced.

***Please read the explanatory note on the next page!***

This declaration applies **exclusively as an exceptional substitute** for the extended certificate of good conduct. It may only be used if a regular certificate cannot be submitted in time due to special circumstances, e.g. last-minute replacement due to illness, prolonged application processing, or the impossibility of application due to the absence of a German residence.

I am aware that making a false affidavit constitutes a criminal offense pursuant to § 156 StGB and may be punished with imprisonment of up to three years or a fine.

**Explanatory note for international members:**

The references to StGB (Strafgesetzbuch) and SGB VIII (Sozialgesetzbuch VIII) are German legal codes. They list criminal offenses that disqualify a person from working with children and adolescents, such as sexual abuse, exploitation, or child trafficking. By signing this affidavit, you confirm that you have **not been convicted of any comparable offense** under the laws of your own country.
